

AECC University College Friends of Clinic (FoC) Hardship Fund Application Form

The FoC Hardship fund is available to help those in financial difficulty that would be unable to access Chiropractic Services available at the current subsidised student placement tariffs. To be eligible applicants must be an individual who is in receipt of free NHS prescriptions and one of the following benefits:

- Income-based Jobseekers Allowance
- Universal Credit
- Pension Credit Guarantee Credit
- Income-related Employment & Support Allowance
- Personal Independence payment
- Careers allowance
- Children in receipt of Disability living allowance for children

Successful applicants will be eligible to receive an initial consultation and up to 6 treatments if clinically required. If it is deemed clinically necessary to undertake x-ray or ultrasound imaging to appropriately assess the presenting condition(s) this will also be included.

The fund is limited and at times we may not be able to accept any patients into the scheme.

Successful applicants are asked to provide a donation to the FoC Hardship fund if they have means, or aid students and their learning if possible i.e. attend a feedback session/class talk. Applicants should be aware that if successful the Clinic cancellation policy and procedure applies.
